Registered Group Training Organisations in NSW
These group training organisations (GTOs) are currently registered in NSW under the Apprenticeship and Traineeship Act 2001. These GTOs have been audited by independent auditors and are compliant with the National Standards for group taining organisations.
(The national register is more up to date at January 2007.)
Workline Employment

Workline Employment specialises in the selection, placement, training and ongoing support of Trainees and Apprentices.

Workline Employment started as an initiative of the Penrith Chamber of Commerce. These days we service businesses right across the greater Sydney region.
